S110741**PADILLA (ALFREDO) ON H.C.**

With respect to petitioner's "Application to file recently disclosed and newly discovered facts and evidence in support of claims raised in petition for writ of habeas corpus" and "Motion to file disclosed and newly discovered facts and evidence in support of claims raised in petition for writ of habeas corpus[,] volume six-under seal," the court orders as follows:

The Clerk of this court is directed to return the documents lodged by petitioner in this court on May 31, 2006-designated his (1) "Recently disclosed and newly discovered facts and evidence in support of claims raised in petition for writ of habeas corpus," (2) "Exhibits to recently disclosed and newly discovered facts and evidence in support of claims raised in petition for writ of habeas corpus," and (3) "Exhibits to recently disclosed and newly discovered facts and evidence in support of claims raised in petition for writ of habeas corpus[,] volume six"-to counsel for petitioner.

Petitioner may resubmit these materials in a different form, so that any item obtained following petitioner's discovery under *Pitchess v. Superior Court* (1974) 11 Cal.3d 531 and Evidence Code section 1043 is bound separately from all of the other material he previously lodged. If petitioner elects to resubmit some or all of the materials he lodged in this court on May 31, 2006, the Clerk of this court is directed to file any *Pitchess*-section 1043 allegations, declarations, exhibits, or other material pertaining to them under seal, and all other items unsealed, including those allegations, declarations, and exhibits he originally lodged for filing under seal.

Whatever materials petitioner may submit will be filed together as a new and separate petition for writ of habeas corpus. If petitioner has discovered additional material since he lodged his papers on May 31, 2006, that he wishes to file unsealed, he may add it to anything he files in accordance with this order. If he has discovered additional material since he lodged his papers on May 31, 2006, that he wishes to file under seal, he must submit it according to the rules applicable for filing sealed material.

In all other respects, petitioner's motion and application are each denied, including his request that this order be filed under seal.

On the court's own motion, the Clerk of this court is directed to place under seal petitioner's "Motion to file recently disclosed and newly discovered facts and evidence in support of claims raised in petition for writ of habeas corpus[,] volume six-under seal."

S107856**CREW (MARK C.) ON H.C.**

In light of the Honorable Brian C. Walsh's March 22, 2006, recusal of himself as referee in this matter, the order appointing him to sit as a referee in this proceeding, filed December 14, 2005, is vacated. Based on the record in this matter and good cause appearing: The Honorable Andrea Y. Bryan, Judge of the Superior Court of California, County of Santa Clara, is appointed to sit as a referee in this proceeding. She is directed to take evidence and make findings of fact on these questions regarding the case of *People v. Mark Christopher Crew* (Santa Clara Superior Court No. 101400, John Shatz, Jr. and Robert P. Ahern, Judges):

1. What information did petitioner's trial counsel have when deciding on the scope of his investigation into potential mitigating evidence?
2. What actions did petitioner's trial counsel take to investigate potential evidence that could have been presented in mitigation at the penalty phase of petitioner's trial? What were the results of that investigation?
3. What tactical justifications, if any, does petitioner's trial counsel offer for (a) limiting the scope of his investigation and conducting the investigation in the manner that he did, and (b) in limiting the presentation of penalty phase evidence in the manner that he did?
4. What additional mitigating evidence could petitioner have presented at the penalty phase? How credible was this evidence?
5. What investigative steps would have led to this additional evidence?
6. What circumstances weighed against the investigation or presentation of this additional evidence. What evidence damaging to petitioner, but not presented by the prosecution at the guilt or penalty phase of trial, would likely have been presented in rebuttal if petitioner had introduced this evidence?

7. Did petitioner do or say anything to hinder or prevent the investigation or presentation of mitigating evidence at the penalty phase, or did he ask that any such evidence not be presented? If so, what did he do or say? The Referee is directed to prepare and submit to this court a report of the proceedings conducted pursuant to this appointment, of the evidence adduced, and the findings of fact made. All requests for discovery should be addressed to the referee.
